RUBY BAITS

BAITING MADE BETTER

Leading the Way in Sustainable Pest Control Solutions.
Introducing Our New **100% Recycled Plastic Buckets!**

Ruby Grain 0.005% Difenacoum

A highly attractive and palatable Difenacoum based bait to target rats and mice. Ruby Grain is a whole wheat formulation, produced with a number of different cereals and added attractants including aniseed which make it irresistible to rodents and enhances the rapid 'take' to control an infestation.

Authorisation code GB-2013-0702; NI-2013-0702 IE/BPA: 70529

Product code	R8520	R8524
Description	Loose Grain	Cut Wheat
Size	10kg Sack	10kg Sack
Price	£ 29.56	£ 39.67

Ruby Grain Sachets 0.005% Difenacoum

Ruby Grain Sachets offer an alternative Difenacoum based bait for use against rats and mice. Multi-feed formulation containing a number of different cereals and added attractants including aniseed. Ready to use rodenticide supplied in premeasured 100g sachets for quick & easy application.

Authorisation code GB-2013-0702; NI-2013-0702 IE/BPA: 70529

Description	Loose Blocks
Size	4kg Bucket
Price	£25.66

Racumin Foam 0.4% Coumatetralyl

Expand your rodent control even in the hardest to reach areas. Racumin is a unique foam formulation, non-bait rodenticide offering an alternative method of control to rat and mouse infestations. Unlike baits that are reliant on palatability for uptake, Racumin foam works by taking advantage of the rodent's natural behaviour. Apply in known rodent runways, the foam sticks to the rodent's coat and is ingested through grooming.

Authorisation code GB-2014-0860; IE/BPA: 70548

Product Code	RACFOAM500ML
Description	Foam
Size	500ml
Price	£49.39

Key features and benefits:

- Quick and easy to apply: ready to use product
- Tackles palatability & bait shyness issues
- Can be used in locations where traditional baiting methods are impossible
- Controls Norway rats (*Rattus norvegicus*) and House mice (*Mus musculus*)

BAIT STATIONS

BORA Rat Bait Station

The BORA is a strong and fully secured bait station for indoor and outdoor use. The domed shape allows room for larger rodents to eat in comfort, whilst securely holding bait in place. Supplied as a complete kit with 2 x click fast baiting rods, 2 x detachable bait trays and wall fixing bracket. Tamper & water resistant, station can be used with Racan Plastic Rat Snap Trap.

Product Code	BORA
Description	Rodent Bait Station
Price	£9.28 (Bulk discount available)

BETA Rat Bait Station

The BETA is a robust, medium sized and fully secured bait station for indoor and outdoor use. Tamper proof & water resistant, designed to securely hold and maintain bait with lid springs to aid easy opening. Supplied as a complete kit with universal key and wall bracket to fix into place. The special feature removable tray allows for certain Racan Mouse Snap Traps to be placed inside.

Product Code	BETA
Description	Rodent Bait Station
Price	£6.07 (Bulk discount available)

Mouse Bait Station

Tamper proof bait station designed to fit and secure a variety of baits and bait blocks. The Lodi Mouse Bait Station has been manufactured with unique baiting pins to ensure that paste bait sachets are secured properly and cannot be pulled out of the box. Pioneering design, this is the first bait station available to the UK market with this unique system. Key included.

Product Code	LODIMOUSE
Description	Mouse Bait Station
Price	£0.58 (Bulk discount available)

Warning Labels Bait Station Identification Stickers

Self-adhesive safety warning labels for application to the exterior of active bait stations. Designed to assist pest controllers in identifying the product name and warning the active substance contained inside. Weatherproof, waterproof and UV resistant with a removable plastic top layer, labels can be easily written on with ballpoint pen or permanent markers. Each label measures 75mm x 28mm, supplied in rolls of 100.

Product Code	7528
Description	Bait Box Labels
Price	£7.47

Rotech Bullet Rat Bait Station

A compact design with all the strength of a larger Rat station. Made from durable high-quality plastic and wall fixable, giving it robust and sturdy design properties. Key features include a secure, tamper resistant lock system plus a unique fix in holder for Rat Snap Traps. The designated compartments can hold grain baits with accompanying metal rods for block/paste bait application. Spare rods and dividers available upon request. Suitable for use in both indoor and outdoor locations and supplied with 2 universal keys per 10 units.

Product Code	ROBULL
Description	Rat Bait Station
Price	£4.50 (Bulk discount available)

Smart Mouse Bait Station

For use in areas where the use of rodenticides is restricted or you require a more non-toxic approach to mouse control. Durable, high-quality design this tamper resistant station can be used safely and securely in both indoor and outdoor locations. The quick view system allows the user to identify if the snap trap inside the box has been activated, removing the need to open the box during every inspection. This handy station can also be used in standard situations where the need for rodenticide is required.

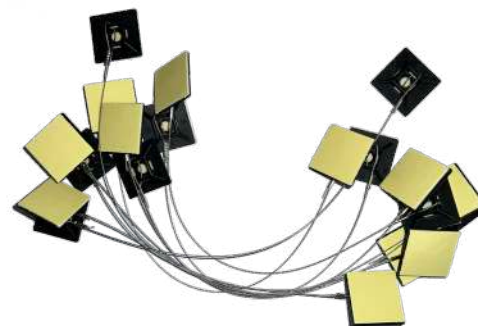

Product Code	MSESNAPBX
Description	Mouse Bait Station
Price	£1.24 (Bulk discount available)

Bait Trays Baiting Accessories

Handy rodenticide trays designed to hold all types of rodent bait formulations. Trays are perfect for establishing feeding points in protected areas, e.g under kitchen sinks, behind kickboard and in loft/roof spaces. Reusable and disposable, individual trays can also be fitted and secured into Lodi UK's lockable, tamper-proof bait stations.

Product Code	TRAYLODI
Description	Plastic Trap
Price	£0.08

Bait Tethers Baiting Accessories

Ready to go kit includes 10 x 270mm lengths of stainless steel wires, looped at each end with self-adhesive sticky pad fixings for quick and easy installation. Designed to anchor bait stations to walls, floors and other surfaces. Wire is long enough to allow for boxes to be lifted, cleaned and serviced without the tethers having to be removed.

Product Code	ST088
Description	Box Tethers (Pack of 10)
Price	£9.47

Price	£9.14

Quartz AZ 0.5% Azamethiphos

Quartz AZ is a professional killing powder for the targeted control of wasps & hornet nests, ants, fleas, bed bugs and cockroaches. Dusting powder formulation containing Azamethiphos, quickly and effectively controlling infestations within hours. Easy to use and should be applied directly to areas where insects reside. For wasp nests simply powder the entrance to the nest. Exclusively authorised to destroy pests in and around buildings.

HSE: 9696

Product Code	QU01
Description	Dusting Powder
Size	3kg Bucket
Price	£39.07

Ficam D 1.289% Bendiocarb

Ready to use dustable powder containing Bendiocarb. Indoor use, recommended for the treatment of inaccessible areas, such as roof voids and service ducts where spraying is impractical and around electrical installations where spraying is undesirable. Highly effective insecticide, superior at targeting ants, wasps and hornets (nests), does not repel or excite insects and has a high penetration rate in hard-to-reach places.*

*Sold by date - 29th July 2024, Use by date - 25th January 2025

ADDICT[®] GEL

by LODIGROUP

COCKROACH

dinotefuran 2%

ready to use gel bait

PROFESSIONAL USE ONLY

30g

ADDICT[®] GEL

Recommended for use in Industrial/commercial premises, kitchens, households, hospitals, nursing homes etc

Addict Cockroach Gel 2% Dinotefuran

Alluring formulation for fast acceptance and 100% cockroach mortality in less than 1 hour. Contains leading active Dinotefuran, which acts on both contact and ingestion with no known resistance. Highly effective on all cockroach species quickly establishing control of the adults, nymphs and nests.

Authorisation code GB-2017-1064

Product Code	I8080
Description	RTU Gel Bait
Size	30g Tube
Price	£35.71 (Per Tube)

Lodi Gel Applicator Gun Application Equipment

Lightweight and cost-effective applicator. An easy to use metering gun specially designed for the application and dosing of insect repellent gels. Use in conjunction with Addict Cockroach Gel, Imidasect Cockroach Gel and Imidasect Ant Gel, all supplied from Lodi UK.

Product Code	APP01
Description	Gel Applicator Gun
Price	£21.82

Imidasect Cockroach Gel 2.15% Imidacloprid

Specifically formulated to attract and control various species of cockroaches. Imidasect contains the proven Imidacloprid active which allows the cockroaches to return to the nest transferring the bait to other cockroaches and the queen resulting in the death of the entire colony.

Authorisation code GB-2016-1042

Product Code	IMID02
Description	RTU Gel Bait
Size	35g Syringe
Price	£24.82

Imidasect Ant Gel 0.01% Imidacloprid

A highly effective formulation to attract and control Pharaoh ants, Argentine ants and black ants. Apply in drops of approx. 1cm diameter or 7cm lines. Foraging ants will feed on the bait and return to the nest, transferring to the queen and the entire colony.

Authorisation code GB-2016-1043

Product Code	IMID01
Description	RTU Gel Bait
Size	35g Syringe
Price	£27.83

Phobi F&F+ One Shot

0.11% Imiprothrin, 0.33% Cyphenothrin
& 0.01% Natural Pyrethrum

Automatic release aerosol formulated with the proven combination of actives used in the renowned Phobi range. Faster and more effective than any other comparable product on the market. The increased strength and speed of control and large application area of 375 cubic metres makes it the perfect fogger for use against flying and crawling insects.

HSE: 10680

Product Code	14206
Description	One Shot Fogger
Size	300ml Aerosol
Price	£13.39

Micro-capsulated
insecticide for flying &
crawling insects

Phobi CAPS

9.2% Cypermethrin & 0.46% Prallethrin

A micro-capsulated insecticide used against crawling & flying insects found in and around the farm, livestock housing, refuse disposal and waste storage areas. Fast knockdown, odourless and non-staining Prallethrin provide a shock effect while the regular and continuous release of Cypermethrin ensures the stability to light, temperature, and humidity.

HSE: 10658

LEADING THROUGH INNOVATION SINCE 2004

Celebrating 20 years of Lodi UK

History of Lodi UK! Established in 2004, our story began supplying 5 professional pest control products from our hub in the West Midlands, a place we still call home today. LODI UK is a subsidiary of the LODI Group who are one of Europe's largest family-owned manufacturers of pest control chemicals. Individual and authentic, what you see is what you get.

Over the years Lodi UK has invested in both people and products, growing to be one of the UK's leading suppliers into the professional, agricultural and retail sectors. Your one stop shop for pest control solutions.

Leading through innovation! Here at Lodi UK, we strive to launch new, innovative active ingredients and formulations to ensure that our customers have the best possible armoury in controlling pests. We offer an extensive range of products targeted at insect & rodent control, stored grain protection, garden & ground care and amenities.

Our products are used by all blue-chip companies involved in pest control as well as professionals in the agricultural industry.

Cheers to 20 years! As a business we are focused on offering first class service, on-hand technical advice and unrivalled marketing support. With 20 years' experience supplying the professional pest control industry, Lodi UK has a unique perspective on what works and how to make it market leading, delivering products that you know you can trust. Building on a history of quality and service we always endeavour to support & inspire our partners, customers and end-users.

Think Big, Think Lodi! Every year we look to do more and achieve more, leading the way in sustainable pest control solutions. Forming part of our ongoing sustainability mission, Lodi UK are committed to reducing our plastic consumption by over 57% with the introduction of recycled buckets and baiting made better - Better for us, better for you and better for the planet. The future is bright, the future is Lodi. Our company promise is simple, we aim to be your pest control partner of choice.

2004 – 2024

“

20 years! How quickly time flies..
it has been a real pleasure seeing how the Lodi business and team have developed over the years - many of our team as well as many of our customers have been with us since the beginning! We pride ourselves on delivering quality products coupled with a reliable and good service.

Lodi wouldn't be where it is now without the product, passion and the people, our team and very importantly the loyalty of our customers.

Thank you for all your support over the years and cheers to many more to come!
