## Organ-X Cat & Animal Repellent Spray

The Organ-X Cat & Animal Deterrent Spray is specially formulated to humanely repel cats, dogs, foxes, rabbits and most other animals away from vegetable patches, ornamental borders, lawns/grass, patios, paths and driveways. Each bottle treats 50m<sup>2</sup>.

- ✓ Treats up to 50m<sup>2</sup>
- ✓ Protects fruit, vegetables, flowers, lawn & gardens
- ✓ Repel cats, dogs, foxes & other animals

**Product Code** D2300  
**Contains** Aluminium Ammonium Sulphate  
**Size** 1 litre spray bottle  
**Outer** 12 x 1 litre

## Organ-X Fly Sticky Paper 4 Pack

A very useful non-toxic trap for capturing flies. Designed to be easy to use, pull the loop downwards slowly in a twisting motion. Fix to wall or ceiling using provided tack, near to where flies congregate, allowing the paper to hang down freely. Flies are lured to the attractants in the glue. The amazing results are there to be seen as fly upon fly will readily get stuck to the trap. It is very important to trap unwanted flies as they are transmitters of many pathogens, viruses, worms and disease.

- ✓ Easy to use and very effective
- ✓ Non-toxic glue paper
- ✓ Removes unwanted flying insects as they rest
- ✓ Indoor and outdoor use

**Product Code** INS3015  
**Contains** Non-toxic glue  
**Size** Pack of 4  
**Outer** Display contains 24 packs of 4

The UK's leading range of rodent control products

Our Racan range, the UK's leading rodenticide brand, has expanded to include a range of modern electronic products. Promising to increase sales and satisfy customers' problems, each product has a QR code linking to instructional videos, offering great value.

Lodi's Racan Rapid, Force and Dife products continue to be best-sellers. They contain the fastest UK active for controlling mice, the UK's leading single-feed active, and our Home Defence multi-feed technology.

## UK'S FASTEST MOUSE CONTROL RANGE

Racan Rapid with patented microencapsulation technology. A unique breakthrough range which can control mice within minutes!

- Formulated with pioneering technology
- Fastest working mouse bait available in the UK
- Can control mice instantly
- Puts mice to sleep before they die

Racan Rapid's advanced breakthrough technology ensures mice hit a lethal dose from as little as a mouthful. The effects of immobilisation are almost immediate sending mice into a peaceful sleep before their death.

The range of products is formulated with the active ingredient alphachloralose which is unlike widely used anticoagulant baits that can take days before any control is seen. Previously only used by professional pest control companies but now available to retail!

The Racan Rapid range ensures that you are offering your customer the fastest form of mouse control bait in the UK! The design and packaging of the products stand out from other competitor products highlighting the unique speed and efficiency of the product together with a simple 3 step how to use guide.

ADVANCED  
MICROENCAPSULATION  
TECHNOLOGY

**TARGETS MICE FAST**  
FORMULATED TO CONTROL MICE IN HOURS!

### Racan Rapid Mouse Killer Stations Pre-baited & Reusable x 2

A pack containing 2 x baited stations which can each kill over 50 mice. A specially designed transparent tamper-proof bait station ensures that the bait is safely secured and only accessible to mice. The mice can simply enter the station and feed on the bait within. The user is able to see if the bait has been eaten and then either dispose of the station or use the key attached to the side to refill with Racan Rapid Paste or Racan Rapid Grain sachets. Simply place the bait station where there are signs of mouse activity and the mice will be lured to the station by the hazelnut attractants within the bait. Control of mice can be within minutes of bait take.

Product Code	Contains	Active	Outer
R8902	Pack with 2 x Pre-baited Stations	4% Alphachloralose	12 x Packs

## UK'S FASTEST ACTIVE FOR RATS & MICE

Racan Force, produced with the UK's leading single feed active, is lethal to rodents. Rats only need a single feed of Racan Force to hit their lethal dose. Control of an infestation can occur within days of bait take.

- Formulated with single feed technology
- Fastest working active for rat control in the UK
- Control of infestations within days of bait take

Our pioneering single feed active technology is specifically designed by our professional team to ensure users have the fastest, most lethal rodent control bait on the UK market. Rats and Mice hit their lethal dose from as little as one feed, resulting in the quickest possible death.

The Racan Force range ensures you are offering your customer the fastest form of rat control bait in the UK. Racan Force coupled with the Racan Rapid range for mice offers your customer the pinnacle in rodent control! The design and the packaging of the products stand out from other competitor products highlighting the unique speed and efficiency of the product.

**SINGLE FEED**  
ACTIVE TECHNOLOGY

**ONE FEED - LETHAL DOSE**

### Racan Force Rat & Mouse Killer Station with 6 x 10g Paste Sachets

The ultimate kit for rat control! A pack containing a tamper-proof and reusable rat bait station with baiting rod, tray, wall fixing bracket and glove with 60g of paste bait - enough to control over 10 rats. Easy to use and very secure. - The rats simply enter the station and feed on the bait within. A step by step guide and advice column on the side of the packaging ensures that every user can use the pack safely and proficiently and control their infestation quickly. If the user requires more bait they are able to open the bait station and replenish with either Racan force paste or grain from our range of products.

<b>Product Code</b>	R8919
<b>Contains</b>	Pack with Rat Station + 6x10g Paste Sachets

## Racan Force Block

### Rat & Mouse Killer 300g

A unique and highly attractive bait for use by amateurs that can kill rodents in a single feed. Racan Force block bait is formulated from a blend of premium grade cereals and added attractants to give proven efficiency in the most difficult environments, in and around buildings.

- ☒ **Single-feed**
- ☒ **All-weather**
- ☒ **Amateur use**
- ☒ **Kills up to 75 rats per tub**
- ☒ **For rats and mice**

Ready-to-use block bait to be used in tamper-resistant bait stations for the control of rats and mice in and around buildings.

For best results use alongside the BETA or BORA bait stations (also supplied by Lodi UK). See page 22 for more information.

<b>Product Code</b>	RACANSB300
<b>Contains</b>	300g tub of blocks
<b>Active</b>	0.0025% Brodifacoum
<b>Outer</b>	12 x 300g tubs

## FOR THE CONTROL OF RATS & MICE

Racan Dife Home Defence – a product range formulated to administer a lethal dose in just a few feeds but produced with an active with reduced toxicity. An ideal range of products for young families / parents or pet owners who need to control a rodent infestation effectively.

- Eradicates mice and rats in just a few feeds
- Ideal for use in sensitive areas such as kitchens or food preparation areas
- Highly palatable formulation

Our Home Defence rodenticides have been carefully selected to give parents, young families, and pet owners the confidence they have chosen a poison that is lower in toxicity, yet effective enough to administer a lethal dose to rats and mice. Specially designed, this multi feed bait is consumed over a few days so rats and mice cannot associate the poison with making them feel unwell.

Once the lethal dose is reached rats and mice will take several days for the anticoagulant to bring them to their death.

The design and the packaging of the products stand out from other competitor products and appeal to users with families and pets as well as detailing how to apply and replenish baits.

## Racan Dife Grain Rat & Mouse Killer 150g

A pack containing 6 x 25g grain sachets that deliver a lethal dose in just a few feeds. Each sachet contains cereals which are highly attractive to rats and mice and offer your customers an alternative to paste. Ideal for use in sensitive areas and once safely secured in a Racan station can be used in areas where children and pets may occasionally be present.

**Product Code** R8910  
**Contains** Pack of 6 x 25g Grain Sachets  
**Active** 0.0025% Difenacoum  
**Outer** 12 x Packs

## Racan Dife Paste Rat & Mouse Killer 150g

A pack containing 15 x 10g paste sachets that deliver a lethal dose in just a few feeds. The paste sachets are formulated with hazelnut attractants and various mulched cereals making them irresistible to rodents! Ideal for use in sensitive areas and once safely secured in a Racan station can be used in areas where children and pets may occasionally be present.

**Product Code** R8909  
**Contains** Pack of 15 x 10g Paste  
**Active** 0.0025% Difenacoum  
**Outer** 12 x Packs

## Racan Dife Block Rat & Mouse Killer 300g

A pack containing a 10 x 30g blocks that deliver a lethal dose in just a few feeds. The blocks are formulated and produced with over 15 different cereals and sugars making them irresistible to rodents! Each bait block has a hole running through the middle so that they can be safely secured onto the baiting rod of the tamperproof Racan Rat Station or simply placed into the Racan Mouse Station. Ideal for use in sensitive areas and once safely secured in a Racan station can be used in areas where children and pets may occasionally be present.

**Product Code** R8911  
**Contains** Pack of 10 x 30g Blocks  
**Active** 0.0025% Difenacoum  
**Outer** 12 x Packs

## Solar, Electronic Repellers & Chemical-free Rodent Control

Lodi UK's proven experience and expertise in professional pest control has allowed us to gain an insight into what works!

Our high-quality rodent bait stations are designed to perfectly complement our range of leading rodenticides.

Our range of stations are designed and manufactured to be durable and reliable.

As the UK's leading products with pest controllers and farmers alike, Lodi UK also offer chemical-free rodent control to be used alongside our rodenticide range.

## ELECTRONIC RAT & MOUSE TRAPS

### Racan Instant Electronic Mouse Killer

The Racan Electronic Mouse Killer is a highly powerful, discreet, reusable mouse trap. One set of batteries kills 100 mice quickly and humanely. It is fitted with a safety cut off so it is ideal for homes where children and pets are present.

- ✓ Kills mice instantly
- ✓ Traps & zaps
- ✓ Instant 7000V shock

Product Code RAC1111  
Outer 6 per case

### Racan Instant Electronic Rat Killer

The Racan Electric Rat Killer is a humane, fast way to catch and kill nuisance rats indoors. This economical unit requires no batteries and is easily charged using the supplied USB cables or USB mains connection if preferred. The safety protection switch prevents shocks to people.

- ✓ Kills rats instantly
- ✓ Traps & zaps
- ✓ Up to 20 rats per full charge

Product Code RAC1104  
Outer 6 per case

## DETERRENTS AND REPELLERS

### Racan Solar Sonic Mole Repeller Twin-pack

The Racan Solar Sonic Mole Repeller Twinpack uses Quad Pulse Action Technology to ensure the mole is humanely driven out to new territory. They are self-charging using solar power - one full charge can last up to 25 days.

- ✓ Continuous & humane lawn protection
- ✓ Solar powered self-charging unit
- ✓ Humane child & pet friendly
- ✓ Covers up to 120m<sup>2</sup>

Product Code RAC1105  
Outer 6 per case

### Racan Solar Sonic Animal Repeller

The Racan Solar Sonic Animal Repeller is designed with three bionic sounds (gun, eagle, dog) a flashing light & ultrasonic waves to scare cats, dogs and wild animals from gardens. The repeller unit makes animals feel uncomfortable so they leave the area but will not harm them.

- ✓ Solar powered self-charging unit
- ✓ Continuous 24-hour humane protection
- ✓ Detection 110 degree, sweep up to 10m

Product Code RAC1107  
Outer 6 per case

### Racan Triple Sonic Pest Repeller

The Racan Triple Sonic Pest Repeller adopts modern micro-electronic technology. It gives out 3 kinds of electronic waves simultaneously and alternatively. It humanely acts upon rodents and insects to make them feel uncomfortable, so they leave the home.

- ✓ 24 hour home protection
- ✓ Up to 100m<sup>2</sup> coverage
- ✓ 3x powerful soundwaves
- ✓ Humane child & pet friendly

Product Code RAC1106  
Outer 12 per case

## Robust Rodent Bait Stations, Metal Traps and Blockers

Lodi UK's proven experience and expertise in professional pest control has allowed us to gain an insight on what works!

Our high-quality rodent bait stations are designed to perfectly complement our range of leading rodenticides.

Our range of stations are designed and manufactured to be durable and reliable.

As the UK's leading products with pest controllers and farmers alike, Lodi UK also offer chemical-free rodent control to be used alongside our rodenticide range.

## RODENT BAIT STATIONS

### Racan BETA Bait Station x 6

The BETA bait station is a robust and fully secured medium sized bait station used by professional pest controllers for indoor and outdoor use. Designed to securely hold and keep bait dry from the elements. Comes with wall bracket and key so that it can be easily secured against a wall. Another special feature is the removable tray as the BETA can now be used with certain 'Racan Mouse Snap Trap' inside.

- ✓ Ideal for securing Racan block baits and bait sachets
- ✓ Can be used with Racan Wooden and Plastic Mouse Snap Traps – sold separately. See page 25

### Racan Multi-catch Metal Mouse Trap

The Racan Multi-Catch Metal Mouse Trap will humanely catch and hold up to 10 live mice. The trap has two self-setting one way entry points for effective trapping and a clear window to see how many mice have been captured.

- ✓ Humane live catch
- ✓ Holds up to 10 live mice
- ✓ Extra ventilation points to reduce stress

**Product Code** RAC1110  
**Outer** 12 per case

### Anti-Rodent Spray

Specialised spray to protect electrical cabling and insulation materials from rodent attack for up to 6 months. Lodi UK's anti rodent spray contains a specially formulated vaporised solution that once sprayed forms a protective film. Simply spray on the surface and rodents will no longer chew through or bite into the treated area. An ideal product for domestic and agricultural buildings as well as farm machinery where rodents might bite through cabling. Also effective against squirrel attack.

- ✓ Up to 6 months protection against rodent attack

**Product Code** R8061  
**Outer** 12 x 500ml can

### Racan Wooden Mouse Traps

Over 100 years later and the traditional Racan Wooden Mouse Trap is still the best selling and most effective design today. A favourite with everyone due to its easy setting treadle plate and fast action. Can be used with the highly palatable and luring Racan rodent attractant!

- ✓ Bait placed on treadle plate and raised to set
- ✓ Mouse has to touch treadle plate to reach bait
- ✓ Mouse triggers snap trap when it applies the slightest pressure to treadle plate
- ✓ High catch rate – quick and humane

**Product Code** RACAN1092  
**Outer** 24 x 2 per case

### Racan Wooden Rat Trap

'The Big Brother' of the favourite mouse trap. Designed to catch larger rodents with a powerful spring for amazing results. A favourite with everyone due to its easy setting treadle plate and fast action. Use with the highly palatable and luring Racan Rodent Attractant!

- ✓ Bait placed on treadle plate and raised to set
- ✓ Rat has to touch treadle plate to reach the bait
- ✓ Rat triggers snap trap when it applies the slightest pressure to treadle plate
- ✓ High catch rate – quick and humane

**Product Code** RACAN1094  
**Outer** 12 per case

## Racan Plastic Mouse Snap Trap

Loved by many. The conventional style break-back trap that is so easy to set and extremely powerful. Fast and humane action. Triggered when the mouse touches the treadle plate trying to reach the bait. Use with the highly palatable and luring Racan Rodent Attractant!

- ✓ Easy to bait and set
- ✓ Re-usable
- ✓ Do not need to handle dead mice
- ✓ Twin Pack for extra value

**Product Code** RACAN1093  
**Outer** 12 x 2 per case

## Racan Plastic Rat Snap Trap

The 'Goliath' of rat snap traps! A very strong snap trap that will kill rats instantly. Strong, reliable, and with its high-class engineering, will last and kill rats effectively time and time again! Bait with 'Racan Rodent attractant'.

- ✓ Highly effective and humane
- ✓ Re-usable
- ✓ Do not need to handle dead rodent
- ✓ Powerful quick action

**Product Code** RACAN1091  
**Outer** 12 per case

NEW

## Racan Advanced Mouse Trap

The most powerful, advanced and humane mouse trap available today. The goliath of all mouse traps. Once baited with Racan Rodent Attractant and simply clicked, the advance break-back trap with fast action jaws is the most successful and reliable trap that can be used again and again.

- ✓ One hand easy set and bait
- ✓ Re-usable
- ✓ Highly effective and humane
- ✓ Powerful quick action

**Product Code** RACAN1101  
**Outer** 12 per case

## Racan Live Catch Mouse Trap

The ideal way to safely trap those unwanted pests in a friendly and stress-free environment. The unique trip trap is safe to use around children and pets. Simply bait the end of trap with Racan Rodent Attractant. As the mouse approaches the bait the trap tips up and closes the door behind, safely securing the mouse inside.

- ✓ Easy to setup and bait – no poisons required
- ✓ Stress free environment for captured mouse
- ✓ Re-usable and easy to clean
- ✓ Extremely effective and humane design

**Product Code** RACAN1100  
**Outer** 12 per case

## Traditional Cages and Traps for Rats, Rabbits, Squirrels, Moles and Foxes

Lodi UK's proven experience and expertise in professional pest control has allowed us to gain an insight into what works!

Our high-quality rodent cages and mole traps are designed to perfectly complement our range of leading rodenticides.

Our range of traps are designed and manufactured for speed and efficacy, whilst also durable and reliable.

For example, we use only the very best springs for fast, humane control while also ensuring they are built to last!

We have extended our range of mole traps to include the new claw trap which is one of the UK's leading products with pest controllers and farmers alike.

## CAGE TRAPS

### Racan Rat Cage Trap

A traditional style cage trap as used by professionals for the humane trapping of rats or similar sized pests. The entrance is quickly sprung closed when the intruder takes the bait, safely trapping it inside. The cage also acts as a multi-catch trap with a one-way door at the opposite end of trap allowing for further rats to be caught inside.

- ✓ Double entry multi-catch trap
- ✓ Re-usable
- ✓ No poison required

**Product Code** RACAN1097  
**Outer** 4 per case

### Racan Squirrel & Rabbit Cage Trap

A traditional style cage trap that comes flat packed to avoid taking up lots of space. Very easy to assemble and de-construct when not in use. For the humane trapping of rabbits, squirrels and similar sized pests. The entrance is quickly sprung closed when the intruder takes the bait, safely trapping it inside.

- ✓ Easy to assemble flat pack design
- ✓ Re-usable
- ✓ No poison required

**Product Code** RACAN1098  
**Outer** 5 per case

## Racan Larsen Trap

- ✓ New Humane live capture cage traps
- ✓ Robust Galvanised Steel
- ✓ Easy to set
- ✓ Simply bait or decoy depending on trap

Product Code RAC1112  
Outer 6 per case

## Racan Fox Trap

- ✓ New Humane live capture cage traps
- ✓ Robust Galvanised Steel
- ✓ Easy to set
- ✓ Simply bait or decoy depending on trap

Product Code RAC1113  
Outer 6 per case

## Racan Mole Scissor Trap

Very popular and highly effective mole scissor trap. Double entry trap allows moles access to the trigger plate from either side of tunnel. Easy set long handles for safe grip and instant monitoring of triggered traps.

- ✓ Strong durable construction
- ✓ Mole triggers plate as it moves through tunnel
- ✓ As used by professional mole trappers

Product Code RACAN1095  
Outer 12 per case

## Racan Tunnel Mole Trap

Also known as the 'Duffus' or 'Barrel' mole trap. Another fantastic trap for catching those unwanted garden pests. Double entry trap catches and humanely kills mole from either side as it passes through the tunnel.

- ✓ Fast action humane kill
- ✓ Double entry dual setting trap
- ✓ Used by professionals

Product Code RACAN1099  
Outer 24 per case

NEW

## Racan Claw Mole Trap

Highly effective and successful mole trap designed and used by professionals. Triggered by the moles natural soil clearing upwards action. Double entry mole traps allow access from either side of tunnel. A must in the pest controller's armoury.

- ✓ Horizontal trigger plate
- ✓ Triggered by moles natural soil clearing action
- ✓ Easy set
- ✓ Humane fast kill

Product Code RACAN1096  
Outer 6 per case

# INSECTO

## Assured insect control products

The Insecto range is formulated to the highest quality to ensure it works fast and effectively.

The range encompasses some of the strongest products available for safe use around the home as well as innovative solutions to eliminate all insect intrusions.

Every domestic insect problem will be controlled with the Insecto range. The commercial advantage to you is an increase in profit margin and a complete range for every customer need.

### Insecto Pro Formula Insect Fogger+ One-shot

A simple device that is deadly to insects. The Insecto Pro Formula Insect Fogger is an automatic release aerosol that once set off will clear a room of any problem pests from fleas, flies and moths to bedbugs and mosquitos. Most insects hide away from view and are difficult to control with hand sprays, however once the Insecto Pro Formula Insect Fogger has been released it will penetrate all 'nooks and crannies' and kill all the insects both in and out of sight.

- ✓ Automatically clears rooms from all known insects
- ✓ Also used by professionals
- ✓ Easy to use around the home
- ✓ Targets all flying and crawling insects

<b>Product Code</b>	INS3019
<b>Contains</b>	Imiprothrin, Cyphenothrin
<b>Size</b>	150ml aerosol can
<b>Outer</b>	12 x 150ml aerosol cans
<b>Use</b>	All year round

### Insecto Smoke Bombs Mini | Midi | Maxi

Insecto Smoke Bombs come in a range of 3 different sizes containing the active ingredient permethrin. Simply light the non-sparking wick, smoke fumes will work their way into all nooks and crannies killing all flying and crawling insects in treated area. Can be used along with Organ-X Desi-Dust as part of an integrated approach for ultimate control of insects. Can be used all year round.

- ✓ Kills all flying & crawling Insects
- ✓ Targets hard to reach insects
- ✓ Mini 3.5g / Midi 15g (36% more than most other competitor products)
- ✓ Maxi (professional) 31g (15% more than most other competitor products)
- ✓ Can be used alongside other Insecto products and Organ-X Desi-Dust

<b>Name</b>	Mini	Midi	Maxi
<b>Code</b>	INS3010	INS3011	INS3012
<b>Size</b>	3.5g	15g	31g
<b>Coverage</b>	Up to 120m³	Up to 500m³	Up to 1000m³

## Insecto Pro Formula Insect Killing Powder

Insecto Pro Formula Insect Killing Powder uses a professional quality active ingredient of Azamethiphos which is used by today's pest controllers that targets those unwanted insects within your home environment and outdoors.

- ✓ Uses a professional quality active ingredient
- ✓ Targets Bedbugs, Fleas, Ants, Cockroaches, Wasp and Hornet Nests
- ✓ Ready to use shaker pack
- ✓ Can be used Indoors and Outdoors
- ✓ Can be used on carpets and bedroom furniture

**Product Code** INS3018  
**Contains** Azamethiphos  
**Size** 300g  
**Outer** 12 x 300g  
**Use** All year round

## Insecto Pro Formula Ant & Nest Killer Powder

Insecto Pro Formula Powder is a ready to use, dustable powder insecticide. The active ingredient, Deltamethrin, can kill insects quickly on contact. It can be used on and around ants nests and other crawling insects, including cockroaches, ants, spiders and bedbugs. It can be used inside or outside. Apply to cracks, crevices and any other places where insects might hide.

- ✓ Kills on contact
- ✓ Targets all crawling insects
- ✓ Can be used inside or outside
- ✓ Easy to use bottle

**Product Code** INS3027  
**Contains** Deltamethrin  
**Size** 300g  
**Outer** 12 x 300g  
**Use** All year round

## Insecto Pro Formula Wasp Nest Powder

Wasp Nest Powder is a ready to use insecticide that targets wasps, hornets and their nests. It contains the professional quality active ingredient, Azamethiphos. Azamethiphos minimises agitation and allows working wasps to return to the nest and take the powder further into the nest. This kills the queen and the rest of the workers.

- ✓ Uses a professional quality active ingredient
- ✓ Targets wasps, hornets and their nests
- ✓ Ready to use powder

**Product Code** IN-AZA-60013  
**Contains** Azamethiphos  
**Size** 300g Puffer Bottle  
**Outer** 12 x 300g  
**Use** All year round

## Insecto SuperBug Destroyer+ Spray

Insecto Super Bug Destroyer – A true all-round insecticide!

Formulated to stop an insect problem quickly, whilst leaving behind an active residual that will control pests for a number of weeks thereafter. Simply spray directly at insects, or where insects appear / congregate and it will kill them after its use.

- ✓ Targeted fast and effective control of all flying and crawling insects
- ✓ Combines quick control with residual that will control for days

**Product Code** INS3004  
**Contains** Cypermethrin  
**Size** 500ml  
**Outer** 12  
**Use** All year round

# INSECTO

## Assured insect control products

The Insecto range is formulated to the highest quality to ensure it works fast and effectively.

The range encompasses some of the strongest products available for safe use around the home as well as innovative solutions to eliminate all insect intrusions.

Every domestic insect problem will be controlled with the Insecto range. The commercial advantage to you is an increase in profit margin and a complete range for every customer need.

### Insecto Pro Formula Ant Bait Station

To control an ant infestation, you must eliminate the nest and queen. This takes time and a product that contains both a bait and insecticide is the best way to effectively kill off an entire colony of ants. Ants are foragers and constantly looking for food & water to take back to their nest to share with other ants. Our "honey" based ant stations provide a proven bait with insecticide. Ants will quickly locate the new food source and take the bait back to their nest and share with the other worker ants, larvae and the queen to effectively destroy the entire colony.

- ✓ Ready to use - press to activate
- ✓ Kills the queen and the nest
- ✓ Eliminates the colony within 21 days
- ✓ Works for up to 90 days activation
- ✓ Contains real honey insecticide bait

**Product Code** INS3029  
**Contains** Acetamiprid  
**Size** 5g  
**Outer** 12 x Twin pack  
**Use** All year round

### Insecto Pro Formula Wasp Nest Destroyer

Wasp nest foam kills wasps in their nest from a distance. A fast and effective method that kills the nest within twenty-four hours. Simply point the can at the nest from approximately two metres and release – the foam expands as soon as it hits the nest killing all the wasps within. Use this product when you can see the whole nest, in a loft, shed, garage, tree etc. 300ml of foam is enough to treat three large nests.

- ✓ Kills wasps in the nest
- ✓ Effective within 24 hours
- ✓ Can treat three large wasp nests

**Product Code** INS3020  
**Contains** Tetramethrin, Trans-phenothrin  
**Size** 300ml aerosol can  
**Outer** 12 x 300ml aerosol cans  
**Use** All year round

### Insecto Pro Formula Fly & Wasp Destroyer

Probably the strongest Fly and Wasp spray available on the UK market. Simply direct the spray at the target and it will kill the pest in an instant. Many aerosols contain very little active ingredient and when used prove fairly ineffective, however with Insecto's instant results customers are moving away from known brands to Insecto.

- ✓ Kills insects instantly
- ✓ Also used by professionals
- ✓ For use all around the home
- ✓ Targets all flying insects

**Product Code** INS3021  
**Contains** Tetramethrin, Trans-phenothrin  
**Size** 300ml aerosol can  
**Outer** 12 x 300ml aerosol cans  
**Use** All year round

## Insectaclear Strong+ Ready-to-use Insecticide

A high-grade insecticide formulated with two of the newest active ingredients to the UK. The combination will quickly eradicate any insect infestation and even those that might be resistant to other lesser actives. One of the key benefits of Insectaclear strong is that you can spray soft furnishings, bedding and mattresses unlike many other insecticides. A product that will resolve your pest infestation!

- ✓ **High grade professional active ingredients**
- ✓ **Approved to spray soft furnishings / bedding and mattresses**
- ✓ **Proven to control the toughest insect infestation**

**Product Code** I5235  
**Contains** Imiprothrin, Cyphenothrin, Pyrethrins and Pyrethroids  
**Size** 5 litre canister  
**Outer** 4 x 5 litre canisters  
**Use** All year round

**Product Code** I5234  
**Contains** Imiprothrin, Cyphenothrin, Pyrethrins and Pyrethroids  
**Size** 1 litre trigger spray  
**Outer** 12 x 1 litre trigger sprays  
**Use** All year round

## Digrain Insectaclear C+ Insect Killer

A multi-purpose insecticide for use on all flying and crawling insects! A great all round spray supplied with a professional trigger that allows the user to either mist the treated area or with a couple twists of the nozzle will turn into a strong directional spray that will penetrate into all the cracks and crevices where the insects hide.

- ✓ **Targets both flying and crawling insects fast**
- ✓ **Professional application trigger to mist the insecticide or direct into insect hideaways**
- ✓ **Great for ants**

**Product Code** IC5000  
**Contains** Cypermethrin, Natural Pyrethrum  
**Size** 5 litre canister  
**Outer** 4 x 5 litre canisters  
**Use** All year round

**Product Code** IC1000  
**Contains** Cypermethrin, Natural Pyrethrum  
**Size** 1 litre trigger spray  
**Outer** 12 x 1 litre trigger sprays  
**Use** All year round

## ecofective® Garden Slug Killer

SPOT-ON Garden Slug Killer MAPP 19760 containing 8.1 g/kg ferric phosphate, is a pelleted bait for the protection of your plants and seedlings against slugs in the home garden, outdoors and in the glasshouse.

- ✓ **Certified for organic gardening.**
- ✓ **Long-lasting and effective in all weather**
- ✓ **Ideal for seedlings, plants and edibles**
- ✓ **Ferric phosphate formula – a natural active ingredient**
- ✓ **Bottle made from 100% recycled materials**

**Product Code** SPT310600  
**Size** 600g  
**Outer** Case of 6  
**Use** All year round

## ecofective® Slug Defence Barrier Granules

ecofective® Slug Defence stops slugs and snails in their tracks. Natural non-toxic granules provide a physical barrier around edible and non-edible plants which deter slugs and snails from reaching the protected plants throughout the growing season.

Child, pet and bee safe, this product is developed from naturally-derived ingredients which do not turn spongy once wet; instead they dry out quickly and remain just as effective, unlike clay repellents which degrade with rain and watering. Slug barrier granules that provide a physical barrier around edible and non-edible plants.

- ✓ **Natural non-toxic granules for slug & snail control**
- ✓ **Provides an effective physical barrier to stop slugs & snails accessing potted and bedded plants**
- ✓ **Pesticide-free, for all garden types**
- ✓ **Long-lasting granules which dry quickly and remain effective after rain or watering**
- ✓ **Safe to use around children, pets, wildlife and bees**

**Product Code** ECF0008  
**Size** 2 litre  
**Outer** 6 x 2 litre bottle  
**Use** All year round

## ecofective® Bug & Mildew Control

A pesticide free solution for use on flowers, fruit, vegetables, herbs and ornamentals, both outside and undercover. Controls a wide range of pests including whitefly, aphid, red spider mite, mealybug, scale and psyllid. Working by physical mode of action, this product contains a blend of surfactants which stop the pests from moving and being able to feed. This not only makes them safe to be used around children and pets, but also safe for bees and wildlife too. With regular use helps to control powdery mildew by physically washing the foliage to remove active mildew spores. The formula also provides foliar nourishment to encourage healthy growth of fruit, vegetables and vibrant flowers.

- ✓ **Controls powdery mildew by washing away the spores**
- ✓ **For edibles and ornamentals – provides the plants with nutrients for healthy growth**
- ✓ **Pesticide-free, uses physical mode of action to stop pests**
- ✓ **Safe to use around children, pets and bees**

**Product Code** ECF0024  
**Size** 1 litre  
**Outer** 12 x 1 litre bottle  
**Use** All year round

## ecofective® Fast Acting Weedkiller

SPOT-ON Fast Acting Weed Killer is a 1 litre ready-to-use weed spray that controls annual and perennial weeds. It is ideal for killing weeds on surfaces such as patio's and paths, gravel, driveways and also block paving.

- ✓ **Visible results after 1 hour (Dependant on weather conditions)**
- ✓ **Glyphosate free, uses acetic acid formula**
- ✓ **Naturally breaks down leaving no residue**
- ✓ **Up to 35sqm coverage**
- ✓ **Effectively controls annual and perennial weeds**
- ✓ **Bottle made from 100% recycled material**
- ✓ **Made in Britain**

**Product Code** SPT2100  
**Contains** Acetic acid  
**Size** 1 litre  
**Outer** 12 x 1 litre bottle  
**Use** All year round
