Organ-X Spider Killer 100% Natural Freeze Blast

Neutralizes and instantly kills spiders. Organ-X Spider Killer Freeze Blast is chemical free, odourless and non-staining. The liquid sprays from the aerosol at -40°C, paralysing the insect before freezing it to death.

- ✓ Used by professional pest controllers
- ✓ 100% natural
- ✓ Fast and effective

Product Code ORGAN-FZ
Size 500ml
Outer 12 x 500ml bottles
Use All year round

Organ-X Spider Killer Powder 300g

Pyrethrum is extracted from natural chrysanthemum flowers and formulated into a fast-acting insecticide powder. Upon contact, it rapidly knocks down and kills spiders. Helps arachnophobes feel at ease within their own home.

- ✓ Rapid knockdown
- ✓ Kills all flying & crawling insects on contact
- ✓ Natural extract contact powder

Product Code ORGAN-X-CS
Outer 12 per case

Organ-X Spider Killer Spray 800mL

Organ-X Spray with Bio-Trap Insect Technology.

Works by physically entrapping spiders in a unique biodegradable vegetable polymer. Backed by 2 years of development and testing, the spray coats on contact preventing spiders from becoming resistant to its unique formulation. Organ-X Spray controls all stages of a spider's life cycle including eggs, spiderlings and adults on contact. Helps arachnophobes feel at ease within their own home.

- ✓ Bio-trap insect technology
- ✓ Scientifically proven
- ✓ Controls all stages of insects life cycle on contact

Product Code ORGAN-X-SPI
Outer 12 per case

Natural and effective pest control

Organ-X Fox & Animal Deterrent Sachet 2x 50g

A soluble powder formation that can be used to discourage domestic animals, foxes and birds by confusing their sense of taste and smell. It is suitable for use on all crops, flower beds, patios, paths and driveways. Each sachet treats 34m².

- ✔ Treats 34m²
- ✔ Repels dogs, cats and foxes
- ✔ Humane control
- ✔ Protects patios, vegetables, flowers, lawns & gardens

Product Code	D2400
Contains	88% Aluminium Ammonium Sulphate
Size	2 x 50g sachets
Outer	12 x 100g
Use	All year round

Organ-X Cat & Animal Deterrent Spray

The Organ-X Cat & Animal Deterrent Spray is specially formulated to humanely repel cats, dogs, foxes, rabbits and most other animals away from vegetable patches, ornamental borders, lawns/grass, patios, paths and driveways. Each bottle treats 50m².

- ✔ Repel cats, dogs, foxes & other animals
- ✔ Protects fruit, vegetables, flowers, lawn & gardens
- ✔ Treats up to 50m²

Product Code	D2300
Contains	Aluminium Ammonium Sulphate
Size	1 litre spray bottle
Outer	12 x 1 litre
Use	All year round

Organ-X Fly Sticky Paper

A very useful non-toxic trap for capturing flies. Designed to be easy to use, pull the loop downwards slowly in a twisting motion. Fix to wall or ceiling using provided tack, near to where flies congregate, allowing the paper to hang down freely. Flies are lured to the attractants in the glue. The amazing results are there to be seen as fly upon fly will readily get stuck to the trap. It is very important to trap unwanted flies as they are transmitters of many pathogens, viruses, worms and disease.

- ✔ Easy to use and very effective
- ✔ Non-toxic glue paper
- ✔ Removes unwanted flying insects as they rest
- ✔ Indoor and outdoor use

Product Code	INS3015
Contains	Non-toxic glue
Size	Pack of 4
Outer	Display contains 24 packs of 4
Use	All year round

Organ-X Home Insect Killer Powder 300g

Pyrethrum is extracted from natural chrysanthemum flowers and formulated into a fast action, knockdown and contact insecticide powder, rapidly killing flying and crawling insects.

The UK's leading range of rodent control products

Our Racan range, the UK's leading rodenticide brand, has expanded to include a range of modern electronic products. Promising to increase sales and satisfy customers' problems, each product has a QR code linking to instructional videos, offering great value.

Lodi's Racan Rapid, Force and Dife products continue to be best-sellers. They contain the fastest UK active for controlling mice, the UK's leading single-feed active, and our Home Defence multi-feed technology.

UK'S FASTEST MOUSE CONTROL RANGE

Racan Rapid with patented microencapsulation technology. A unique breakthrough range which can control mice within minutes!

- Formulated with pioneering technology
- Fastest working mouse bait available in the UK
- Can control mice instantly
- Puts mice to sleep before they die

Racan Rapid's advanced breakthrough technology ensures mice hit a lethal dose from as little as a mouthful. The effects of immobilisation are almost immediate sending mice into a peaceful sleep before their death.

The range of products is formulated with the active ingredient alphachloralose which is unlike widely used anticoagulant baits that can take days before any control is seen. Previously only used by professional pest control companies but now available to retail!

The Racan Rapid range ensures that you are offering your customer the fastest form of mouse control bait in the UK! The design and packaging of the products stand out from other competitor products highlighting the unique speed and efficiency of the product together with a simple 3 step how to use guide.

ADVANCED
MICROENCAPSULATION
TECHNOLOGY

TARGETS MICE FAST

FORMULATED TO CONTROL MICE IN HOURS!

Racan Rapid Mouse Killer Stations Pre-baited & Reusable x 2

A pack containing 2 x baited stations which can each kill over 50 mice. A specially designed transparent tamper-proof bait station ensures that the bait is safely secured and only accessible to mice. The mice can simply enter the station and feed on the bait within. The user is able to see if the bait has been eaten and then either dispose of the station or use the key attached to the side to refill with Racan Rapid Paste or Racan Rapid Grain sachets. Simply place the bait station where there are signs of mouse activity and the mice will be lured to the station by the hazelnut attractants within the bait. Control of mice can be within minutes of bait take.

Product Code	Contains	Active	Outer
R8902	Pack with 2 x Pre-baited Stations	4% Alphachloralose	12 x Packs

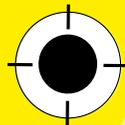

UK'S FASTEST ACTIVE FOR RATS & MICE

Racan Force, produced with the UK's leading single feed active, is lethal to rodents. Rats only need a single feed of Racan Force to hit their lethal dose. Control of an infestation can occur within days of bait take.

- Formulated with single feed technology
- Fastest working active for rat control in the UK
- Control of infestations within days of bait take

Our pioneering single feed active technology is specifically designed by our professional team to ensure users have the fastest, most lethal rodent control bait on the UK market. Rats and Mice hit their lethal dose from as little as one feed, resulting in the quickest possible death.

The Racan Force range ensures you are offering your customer the fastest form of rat control bait in the UK. Racan Force coupled with the Racan Rapid range for mice offers your customer the pinnacle in rodent control! The design and the packaging of the products stand out from other competitor products highlighting the unique speed and efficiency of the product.

SINGLE FEED
ACTIVE TECHNOLOGY

ONE FEED - LETHAL DOSE

Racan Force Rat & Mouse Killer Station with 6 x 10g Paste Sachets

The ultimate kit for rat control! A pack containing a tamper-proof and reusable rat bait station with baiting rod, tray, wall fixing bracket and glove with 60g of paste bait - enough to control over 10 rats. Easy to use and very secure. - The rats simply enter the station and feed on the bait within. A step by step guide and advice column on the side of the packaging ensures that every user can use the pack safely and proficiently and control their infestation quickly. If the user requires more bait they are able to open the bait station and replenish with either Racan force paste or grain from our range of products.

Racan Force Block Rat & Mouse Killer 300g

A unique and highly attractive bait for use by amateurs that can kill rodents in a single feed. Racan Force block bait is formulated from a blend of premium grade cereals and added attractants to give proven efficiency in the most difficult environments, in and around buildings.

- Single-feed**
- All-weather**
- Amateur use**
- Kills up to 75 rats per tub**
- For rats and mice**

Ready-to-use block bait to be used in tamper-resistant bait stations for the control of rats and mice in and around buildings.

For best results use alongside the BETA or BORA bait stations (also supplied by Lodi UK).

Product Code RACANSB300
Contains 300g tub of blocks
Active 0.0025% Brodifacoum
Outer 12 x 300g tubs

FOR THE CONTROL OF RATS & MICE

Racan Dife Home Defence – a product range formulated to administer a lethal dose in just a few feeds but produced with an active with reduced toxicity. An ideal range of products for young families / parents or pet owners who need to control a rodent infestation effectively.

- Eradicates mice and rats in just a few feeds
- Ideal for use in sensitive areas such as kitchens or food preparation areas
- Highly palatable formulation

Our Home Defence rodenticides have been carefully selected to give parents, young families, and pet owners the confidence they have chosen a poison that is lower in toxicity, yet effective enough to administer a lethal dose to rats and mice. Specially designed, this multi feed bait is consumed over a few days so rats and mice cannot associate the poison with making them feel unwell.

Once the lethal dose is reached rats and mice will take several days for the anticoagulant to bring them to their death.

The design and the packaging of the products stand out from other competitor products and appeal to users with families and pets as well as detailing how to apply and replenish baits.

Racan Dife Block

Rat & Mouse Killer 300g

A pack containing a 10 x 30g blocks that deliver a lethal dose in just a few feeds. The blocks are formulated and produced with over 15 different cereals and sugars making them irresistible to rodents! Each bait block has a hole running through the middle so that they can be safely secured onto the baiting rod of the tamperproof Racan Rat Station or simply placed into the Racan Mouse Station. Ideal for use in sensitive areas and once safely secured in a Racan station can be used in areas where children and pets may occasionally be present.

Product Code R8911

Traditional Cages and Traps for Rats, Rabbits, Squirrels, Moles and Foxes

Lodi UK's proven experience and expertise in professional pest control has allowed us to gain an insight into what works!

Our high-quality rodent cages and mole traps are designed to perfectly complement our range of leading rodenticides.

Our range of traps are designed and manufactured for speed and efficacy, whilst also durable and reliable.

For example, we use only the very best springs for fast, humane control while also ensuring they are built to last!

We have extended our range of mole traps to include the new claw trap which is one of the UK's leading products with pest controllers and farmers alike.

CAGE TRAPS

Racan Rat Cage Trap

A traditional style cage trap as used by professionals for the humane trapping of rats or similar sized pests. The entrance is quickly sprung closed when the intruder takes the bait, safely trapping it inside. The cage also acts as a multi-catch trap with a one-way door at the opposite end of trap allowing for further rats to be caught inside.

- ✓ Double entry multi-catch trap
- ✓ Re-usable
- ✓ No poison required

Product Code RACAN1097
Outer 4 per case

Racan Rabbit & Squirrel Cage Trap

A traditional style cage trap that comes flat packed to avoid taking up lots of space. Very easy to assemble and de-construct when not in use. For the humane trapping of rabbits, squirrels and similar sized pests. The entrance is quickly sprung closed when the intruder takes the bait, safely trapping it inside.

- ✓ Easy to assemble flat pack design.
- ✓ Re-usable
- ✓ No poison required

Product Code RACAN1098
Outer 5 per case

Racan Larsen Trap

- ✓ New Humane live capture cage traps
- ✓ Robust Galvanised Steel
- ✓ Easy to set
- ✓ Simply bait or decoy depending on trap

Product Code RAC1112
Outer 6 per case

Racan Fox Trap

- ✓ New Humane live capture cage traps
- ✓ Robust Galvanised Steel
- ✓ Easy to set
- ✓ Simply bait or decoy depending on trap

Product Code RAC1113
Outer 6 per case

Racan Mole Scissor Trap

Very popular and highly effective mole scissor trap. Double entry trap allows moles access to the trigger plate from either side of tunnel. Easy set long handles for safe grip and instant monitoring of triggered traps.

- ✓ Strong durable construction
- ✓ Mole triggers plate as it moves through tunnel.
- ✓ As used by professional mole trappers.

Product Code RACAN1095
Outer 12 per case

Racan Tunnel Mole Trap

Also known as the 'Duffus' or 'Barrel' mole trap. Another fantastic trap for catching those unwanted garden pests. Double entry trap catches and humanely kills mole from either side as it passes through the tunnel.

- ✓ Fast action humane kill
- ✓ Double entry dual setting trap
- ✓ Used by professionals

Product Code RACAN1099
Outer 24 per case

Racan Claw Mole Trap

Highly effective and successful mole trap designed and used by professionals. Triggered by the moles natural soil clearing upwards action. Double entry mole traps allow access from either side of tunnel. A must in the pest controller's armoury.

- ✓ Horizontal trigger plate
- ✓ Triggered by moles natural soil clearing action
- ✓ Easy set
- ✓ Humane fast kill

Product Code RACAN1096
Outer 6 per case

INSECTO

Assured insect control products

The Insecto range is formulated to the highest quality to ensure it works fast and effectively.

The range encompasses some of the strongest products available for safe use around the home as well as innovative solutions to eliminate all insect intrusions.

Every domestic insect problem will be controlled with the Insecto range. The commercial advantage to you is an increase in profit margin and a complete range for every customer need.

Insecto Pro Formula Insect Fogger+ One-shot

A simple device that is deadly to insects. The Insecto Pro Formula Insect Fogger is an automatic release aerosol that once set off will clear a room of any problem pests from fleas, flies and moths to bedbugs and mosquitos. Most insects hide away from view and are difficult to control with hand sprays, however once the Insecto Pro Formula Insect Fogger has been released it will penetrate all 'nooks and crannies' and kill all the insects both in and out of sight.

- ✓ Automatically clears rooms from all known insects
- ✓ Also used by professionals
- ✓ Easy to use around the home
- ✓ Targets all flying and crawling insects

Product Code	INS3019
Contains	Imiprothrin, Cyphenothrin
Size	150ml aerosol can
Outer	12 x 150ml aerosol cans
Use	All year round

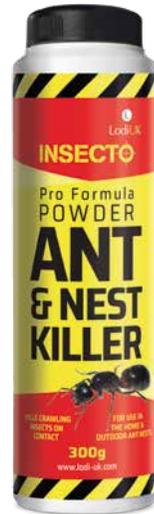

Insecto Smoke Bombs Mini | Midi | Maxi

Insecto Smoke Bombs come in a range of 3 different sizes containing the active ingredient permethrin. Simply light the non-sparking wick, smoke fumes will work their way into all nooks and crannies killing all flying and crawling insects in treated area. Can be used along with Organ-X Desi-Dust as part of an integrated approach for ultimate control of insects. Can be used all year round.

- ✓ Kills all flying & crawling Insects
- ✓ Targets hard to reach insects
- ✓ Mini 3.5g / Midi 15g (36% more than most other competitor products)
- ✓ Maxi (professional) 31g (15% more than most other competitor products)
- ✓ Can be used alongside other Insecto and Organ-X Desi-Dust

Name	Mini	Midi	Maxi
Code	INS3010	INS3011	INS3012
Size	3.5g	15g	31g
Coverage	Up to 120m ³	Up to 500m ³	Up to 1000m ³

Insecto Pro Formula Insect Killing Powder

Insecto Pro Formula Insect Killing Powder uses a professional quality active ingredient of Azamethiphos which is used by today's pest controllers that targets those unwanted insects within your home environment and outdoors.

- ✓ Uses a professional quality active ingredient
- ✓ Targets Bedbugs, Fleas, Ants, Cockroaches, Wasp and Hornet Nests
- ✓ Ready to use shaker pack
- ✓ Can be used Indoors and Outdoors
- ✓ Can be used on carpets and bedroom furniture

Product Code INS3018
Contains Azamethiphos
Size 300g
Outer 12 x 300g
Use All year round

Insecto Pro Formula Ant & Nest Killing Powder

Insecto Pro Formula Powder is a ready to use, dustable powder insecticide. The active ingredient, Deltamethrin, can kill insects quickly on contact. It can be used on and around ants nests and other crawling insects, including cockroaches, ants, spiders and bedbugs. It can be used inside or outside. Apply to cracks, crevices and any other places where insects might hide.

- ✓ Kills on contact
- ✓ Targets all crawling insects
- ✓ Can be used inside or outside
- ✓ Easy to use bottle

Product Code INS3027
Contains Deltamethrin
Size 300g
Outer 12 x 300g
Use All year round

Insecto Pro Formula Wasp Nest Powder

Wasp Nest Powder is a ready to use insecticide that targets wasps, hornets and their nests. It contains the professional quality active ingredient, Azamethiphos. Azamethiphos minimises agitation and allows working wasps to return to the nest and take the powder further into the nest. This kills the queen and the rest of the workers.

- ✓ Uses a professional quality active ingredient
- ✓ Targets wasps, hornets and their nests
- ✓ Ready to use powder

Product Code IN-AZA-60013
Contains Azamethiphos
Size 300g Puffer Bottle
Outer 12 x 300g
Use All year round

Insecto SuperBug Destroyer+ Spray

Insecto Super Bug Destroyer – A true all-round insecticide!

The Insecto Super Bug Destroyer is formulated to stop an insect problem quickly, whilst leaving behind an active residual that will control pests for a number of weeks thereafter. Simply spray directly at insects, or where insects appear / congregate and it will kill them after its use.

- ✓ Targeted fast and effective control of all flying and crawling insects
- ✓ Combines quick control with residual that will control for days

Product Code INS3004
Contains Cypermethrin
Size 500ml
Outer 12
Use All year round

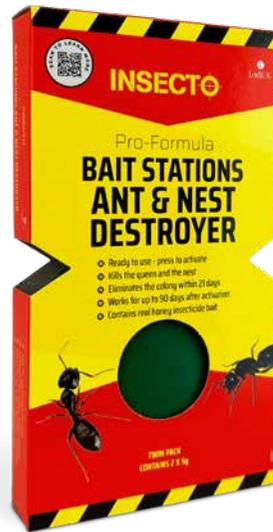

INSECTO

Assured insect control products

The Insecto range is formulated to the highest quality to ensure it works fast and effectively.

The range encompasses some of the strongest products available for safe use around the home as well as innovative solutions to eliminate all insect intrusions.

Every domestic insect problem will be controlled with the Insecto range. The commercial advantage to you is an increase in profit margin and a complete range for every customer need.

Insecto Pro Formula Ant Bait Station

To control an ant infestation, you must eliminate the nest and queen. This takes time and a product that contains both a bait and insecticide is the best way to effectively kill off an entire colony of ants. Ants are foragers and constantly looking for food & water to take back to their nest and share with other ants. Our "honey" based ant stations provide a proven bait with insecticide. Ants will quickly locate the new food source and take the bait back to their nest and share with the other worker ants, larvae and the queen to effectively destroy the entire colony.

- ✓ Ready to use - press to activate
- ✓ Kills the queen and the nest
- ✓ Eliminates the colony within 21 days
- ✓ Works for up to 90 days activation
- ✓ Contains real honey insecticide bait

Product Code INS3017
Contains Acetamiprid
Size 5g
Outer 12 x Triple pack
Use All year round

Insecto Pro Formula Wasp Nest Destroyer

Wasp nest foam kills wasps in their nest from a distance. A fast and effective method that kills the nest within twenty-four hours. Simply point the can at the nest from approximately two metres and release – the foam expands as soon as it hits the nest killing all the wasps within. Use this product when you can see the whole nest, in a loft, shed, garage, tree etc. 300ml of foam is enough to treat three large nests.

- ✓ Kills wasps in the nest
- ✓ Effective within 24 hours
- ✓ Can treat three large wasp nests

Product Code INS3020
Contains Tetramethrin, Trans-phenothrin
Size 300ml aerosol can
Outer 12 x 300ml aerosol cans
Use All year round

Insecto Pro Formula Fly & Wasp Destroyer

Probably the strongest Fly and Wasp spray available on the UK market. Simply direct the spray at the target and it will kill the pest in an instant. Many aerosols contain very little active ingredient and when used prove fairly ineffective, however with Insecto's instant results customers are moving away from known brands to Insecto.

- ✓ Kills insects instantly
- ✓ Also used by professionals
- ✓ For use all around the home
- ✓ Targets all flying and crawling insects

Product Code INS3021
Contains Tetramethrin, Trans-phenothrin
Size 300ml aerosol can
Outer 12 x 300ml aerosol cans
Use All year round

Insectaclear Strong+ Ready-to-use Insecticide

A high-grade insecticide formulated with two of the newest active ingredients to the UK. The combination will quickly eradicate any insect infestation and even those that might be resistant to other lesser actives. One of the key benefits of Insectaclear strong is that you can spray soft furnishings, bedding and mattresses unlike many other insecticides. A product that will resolve your pest infestation!

- ✔ High grade professional active ingredients
- ✔ Approved to spray soft furnishings / bedding and mattresses
- ✔ Proven to control the toughest insect infestation

Product Code 15235
Contains Imiprothrin, Cyphenothrin, Pyrethrins and Pyrethroids
Size 5 litre canister
Outer 4 x 5 litre canisters
Use All year round

Product Code 15234
Contains Imiprothrin, Cyphenothrin, Pyrethrins and Pyrethroids
Size 1 litre trigger spray
Outer 12 x 1 litre trigger sprays
Use All year round

Digrain Insectaclear C+ Insect Killer

A multi-purpose insecticide for use on all flying and crawling insects! A great all round spray supplied with a professional trigger that allows the user to either mist the treated area or with a couple twists of the nozzle will turn into a strong directional spray that will penetrate into all the cracks and crevices where the insects hide.

- ✔ Targets both flying and crawling insects fast
- ✔ Professional application trigger to mist the insecticide or direct into insect hideaways
- ✔ Great for ants

Product Code IC5000
Contains Cypermethrin, Natural Pyrethrum
Size 5 litre canister
Outer 4 x 5 litre canisters
Use All year round

Product Code IC1000
Contains Cypermethrin, Natural Pyrethrum
Size 1 litre trigger spray
Outer 12 x 1 litre trigger sprays
Use All year round

ecofective® Garden Slug Killer

SPOT-ON Garden Slug Killer MAPP 19760 containing 8.1 g/kg ferric phosphate, is a pelleted bait for the protection of your plants and seedlings against slugs in the home garden, outdoors and in the glasshouse.

ecofective® Slug Defence Barrier Granules

ecofective® Slug Defence stops slugs and snails in their tracks. Natural non-toxic granules provide a physical barrier around edible and non-edible plants which deter slugs and snails from reaching the protected plants throughout the growing season.

Child, pet and bee safe, this product is developed from naturally-derived ingredients which do not turn spongy once wet; instead they dry out quickly and remain just as effective, unlike clay repellents which degrade with rain and watering. **Slug barrier granules that provide a physical barrier around edible and non-edible plants.**

- ✔ **Natural non-toxic granules for slug & snail control**
- ✔ **Provides an effective physical barrier to stop slugs & snails accessing potted and bedded plants**
- ✔ **Pesticide-free, for all garden types**
- ✔ **Long-lasting granules which dry quickly and remain effective after rain or watering**
- ✔ **Safe to use around children, pets, wildlife and bees**

Product Code ECF0008
Size 2 litre
Outer 6 x 2 litre bottle
Use All year round

ecofective® Bug & Mildew Control

A pesticide free solution for use on flowers, fruit, vegetables, herbs and ornamentals, both outside and undercover. Controls a wide range of pests including whitefly, aphid, red spider mite, mealybug, scale and psyllid. Working by physical mode of action, this product contains a blend of surfactants which stop the pests from moving and being able to feed. This not only makes them safe to be used around children and pets, but also safe for bees and wildlife too. With regular use helps to control powdery mildew by physically washing the foliage to remove active mildew spores. The formula also provides foliar nourishment to encourage healthy growth of fruit, vegetables and vibrant flowers.

- ✔ **Controls powdery mildew by washing away the spores**
- ✔ **For edibles and ornamentals – provides the plants with nutrients for healthy growth**
- ✔ **Pesticide-free, uses physical mode of action to stop pests**
- ✔ **Safe to use around children, pets and bees**

Product Code ECF0024
Size 1 litre
Outer 12 x 1 litre bottle
Use All year round

ecofective® Fast Acting Weedkiller

SPOT-ON Fast Acting Weed Killer is a 1 litre ready-to-use weed spray that controls annual and perennial weeds. It is ideal for killing weeds on surfaces such as patio's and paths, gravel, driveways and also block paving.

- ✔ **Visible results after 1 hour (Dependant on weather conditions).**
- ✔ **Glyphosate free, uses acetic acid formula.**
- ✔ **Naturally breaks down leaving no residue.**
- ✔ **Up to 35sq.m coverage.**
- ✔ **Effectively controls annual and perennial weeds.**
- ✔ **Bottle made from 100% recycled material.**
- ✔ **Made in Britain.**
- ✔ **1 litre ready to use bottle.**

Product Code SPT2100
Contains Acetic acid
Size 1 litre
Outer 12 x 1 litre bottle
Use All year round
