HSE No 11110-GB, 11110-NI, PCS No 103116**

**PRECAUTIONS**

- \*This material and its container must be disposed of in a safe way.
- \*Do not contaminate foodstuffs, eating utensils or food contact surfaces.
- \*Wash hands and exposed skin before meals and after use.
- \*Keep in a safe place.
- \*Cover all water storage tanks before application.
- \*Do not touch treated surfaces until dry.
- \*All bats are protected under the Wildlife and Countryside Act 1981. Before treating any structure used by bats, consult Natural England, NatureScot, Natural Resources Wales or the Northern Ireland Environment Agency.
- \*Action should be taken to prevent foraging bees gaining access to treated nests, preferably by removing the combs or blocking the nest entrance.
- \*Do not apply directly to animals.
- \*Do not apply to clothing or human bedding.
- \*Not to be used on pet bedding, pet sleeping quarters or where pets frequently/normally lie.
- \*HAZARDOUS TO BEES.
- \*This biocidal product contains Permethrin, which can cause severe adverse reactions in cats.
- \*Do not use on cats, or items intended to be used by cats.
- \*Keep cats away during treatment and drying time.

**To avoid risks to human or animal health, or the environment, comply with the instructions for use.**

**Type of formulation:** AE Aerosol Dispenser  
Use biocides safely and sustainably. This product should be used in accordance with the product label. Dispose of contents/container in accordance with local regulations.
