**READ ALL PRECAUTIONS BEFORE USE
HSE No. 10915-GB, 10915-NI, PCS No 102931**

PRECAUTIONS

*This material and its container must be disposed of in a safe way.

*Keep in a safe place.

*Wash hands and exposed skin before meals and after use.

*Action should be taken to prevent foraging bees gaining access to treated nests, preferably by removing the combs or blocking the nest entrance.

*All bats are protected under the Wildlife and Countryside Act 1981. Before treating any structure used by bats, consult Natural England, NatureScot, Natural Resources Wales or the Northern Ireland Environment Agency.

*Cover all water storage tanks before application.

*HAZARDOUS TO BEES.

*Do not contaminate foodstuffs, eating utensils or food contact surfaces.

*Do not apply directly to animals.

*Do not touch treated surfaces until dry.

*Do not use on cats, or items intended to be used by cats.

*This biocidal product contains permethrin which can cause severe adverse reactions in cats.

*Keep cats away during treatment and drying time.

To avoid risks to human or animal health, or the environment, comply with the instructions for use.

Type of formulation: AE Aerosol Dispenser
Use biocides safely and sustainably. This product should be used in accordance with the product label. Dispose of contents/container in accordance with local regulations.
