

ORGAN-X PRO INSECT KILLER CONCENTRATE

Knockdown efficacy by physical action

The innovative Organ-X Pro range for the control of flying and crawling insects.

A new unique insecticide free insect spray with proven 100% efficacy. Two years of development and testing have resulted in a insecticide free spray that disables and controls insects fast and effectively. A direct spray onto the target organism will ensure fast control proven in field and laboratory tests.

Based on a vegetal-origin polymer, Organ-X Pro Insect Killer is a unique formulation that creates a coating and acts by physical contact on the target insect.

- **Insecticide Free**
- **Non Staining**

*Test on a small area before use on sensitive surfaces or furnishings.
