CHOOSE ARTIFICIAL GRASS CLEANER FOR YOUR GARDEN & HOME

3 in 1 Pro-Formula concentrate for cleaning all types of artificial & synthetic grass, mats, astro turf surfaces including bowling greens, football pitches and tennis courts. Restores, cleans and leaves a fragrant fresh cut grass aroma. Removes dirt, grease, neutralises a wide range of soiling including animal droppings, removes and destroys odours from dog and animal urine used to mark territories. Also suitable for cleaning animal housing and pens.

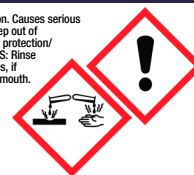

HOW USE ARTIFICIAL GRASS CLEANER & DEODORISER

Directions for use: • Dilute 1 part with up to 10 parts of warm water. • Apply 1 litre of diluted cleaner to approx. 10m2 of surface • Apply liberally by watering can, pump sprayer or mop and work in well with a brush, rinse away with running water after soaking for 20-30 minutes. • For heavily soiled areas and strong territory smells pre-spray the spot with undiluted product at a rate of 1 litre to approx. 5-10m2 of surface, soaking for 1-2hrs to suppress treated area • Product can be applied preferably to dry or slightly damp surfaces. Do not apply to surfaces where they are saturated from recent rainfall or if rain is due within the time period required to treat the surface • Before applying remove all solid debris and furniture • Apply Storm Pro-Formula in weekly/ fortnightly intervals to areas favoured by pets to suppress odours from returning • Remove all children and animals until treatment is finished • Always spot test in an inconspicuous area before treatment. • Avoid use around ponds & water courses. Harmful to aquatic.

PRECAUTIONS: WASH HANDS AND EXPOSED SKIN before meals and after use. • KEEP IN A SAFE PLACE. • DO NOT CONTAMINATE FOODSTUFFS, EATING UTENSILS OR FOOD CONTACT SURFACES. • This material and its container must be disposed of in a safe way. • KEEP AWAY FROM TREATED SURFACES UNTIL DRY. Keep out of the reach of children. Wear suitable protective clothing and gloves. Keep in original containers, tightly closed, in a safe place. Ensure adequate ventilation when applying.
